Summary of my recommendations:

This audit was carried out online and via emails during the Covid 19 pandemic and there was no face to face visit. In addition to the website, documents provided included the cash book and the AGAR 2020/21.

Cemetery and Allotment fees were last reviewed in 2019. There is no statutory review period for these charges but it would be good practice for a review to be carried out from time to time and the rules for such reviews incorporated into standing orders or financial regulations. It would also be useful for the scales of fees to be in the website for the benefit of parishioners.

As last year, everything was in good order.
