During the financial year ended 31 March 2023, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

The internal audit for 2022/23 has been carried out in accordance with this authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this authority.

Summary of my recommendations:

Financial Reporting.

Receipts, as well as payments should be included in the financial reports given to the council meetings. It would be a useful addition to the audit trail if numbers i.e. P1 or R1 could be added into the minutes adjacent these items. The total in the bank did not reconcile to the Cash Book as presented at the February 2023 meeting (Bank Reconciliation). Financial Regulations state that the Chairman should sign the Bank Reconciliations (Fin Regs Item 5). This should be done. There was a payment reported to the meeting on 4th May 2022 which did not show up in the Cash Book or the Bank Statements £443.80 (2 Trees)

Risks

Jubilee Event. While the success of the Jubilee event was noted the way that the project appeared to have been arranged was not good practice. Such an event would best be managed through a Committee or Working Group set up by the Parish Council. The PC should have given the Committee clear objectives including drawing up a budget and undertaking risk assessments for all activities. On the assumption that this was a BPC event then the insurer would have given Public Liability Insurance provided the event was arranged through a Committee of the PC and Risk Assessments had been undertaken for the Project. It appeared that the event came in over budget. A provisional budget should have been agreed by the Council.

Volunteers at work. Various activities are undertaken by volunteers, such as the "Busy Brisley" Group. Activities have ranged from building bridges to clearing effluent from a pond. Risk assessments should be undertaken for any activities carried out by Councillors or volunteers. Activities should be included in the Risk Management Schedule – they are a financial and operational risk.

Other. Noted that confirmation of a firearms certificate for the vermin control operator had been received. This should be added to the Risk Assessment for this site where a firearm is used.

Allotments

Note that there are now three deposits of £50 held. Allotment income is recorded in the receipts folder R13 as £510. In the Cash Book it is noted as £585.
